**WILL BE ALLOWED ON THE MIDWAY**  
**AFTER 3:00 PM MONDAY THROUGH FRIDAY AND AFTER**  
**11:00 AM ON SATURDAYS AND NOON ON SUNDAY.**

- RULE 1. All property of every character entered for competitive play, or for any other purpose, or brought into the Fair Grounds by any person shall be subject to the rules and regulations prescribed by the Board of Directors of the Four States Fair.
- RULE 2. In no case shall the Four States Fair or any of its officers or directors, be held responsible for any loss, damage, injury or death by disease, theft or from any other cause of any character, to any property while same is in the Fair Grounds, or any other time or place. The management hereby assumes no responsibility, either as bailee or otherwise, for any property being brought and kept upon said grounds.
- RULE 3. If the property owners or others interested in the property, desire protection against loss, damage, injury from fire, or other cause, they must make their own arrangements and pay for such insurance.
- RULE 4. Exhibitors making entries and not exhibiting shall forfeit all fees, for stalls, space, or exhibitors' tickets.

**CLAIMS FOR INJURY**

- RULE 5. No claim for injury to any person shall ever be asserted nor suit instituted or maintained against the Four States Fair, Inc., its officers or its agents, or on behalf of any person, firm or corporation or their agents, representatives, servants or employees having license or privilege to exhibit in the Fair Grounds or occupy space thereon.
- RULE 6. If any damage, loss or injury to person or property shall be approximately caused by reason of neglect or willful act of any person, firm, or corporation, or their agents, representative, servants or employee, having license or privilege on said Fair Grounds, or occupying space thereon, the Four States Fair shall be in no manner responsible therefore, and in case it is subjected to any expense of liability all persons causing same or liable therefore, shall indemnify the Four States Fair.
- RULE 7. The Four States Fair will not be in any way liable for any injury to any attendant, to any exhibit in all departments, while enroute to or from the Fair.

**CONCESSIONS AND COMMERCIAL RULES**

- RULE 8. No privilege will be granted for questionable or immoral shows, for any game of chance or gambling device, or for the sale of intoxicants or narcotics; **NOR WILL THEY BE PERMITTED ON THE GROUNDS.**
- RULE 9. All privileges will be sold with the distinct understanding that the right of cancellation is reserved by the Management for the violation of the regulations of the Four States Fair, or of the conditions upon which the concession was granted, and any or either of such violations by the concessionaire shall work a forfeiture of his privilege without reimbursement.
- RULE 10. Each concessionaire/commercial exhibitor is expected to deal honestly and fairly with the public and any attempted fraud or misrepresentation will be a sufficient cause for revoking the privilege.
- RULE 11. On the concession and commercial contracts, 50 percent of the amount shall be paid at the time of signing contract; the balance to be paid on or before taking possession of the space.
- RULE 12. All concession space and commercial space and buildings must be kept in a neat and sanitary condition and will be inspected each day by representatives of the Four States Fair and the Arkansas Health Department.
- RULE 13. All food or drink offered for sale or sold shall in every respect meet the approval of the Four States Fair. No food or drink which is contaminated or tainted shall be offered for sale or sold for human consumption. Food or drink subject to spoilage shall be kept in such a manner and at such a temperature as to prevent spoilage.
- RULE 14. All food or drink for human consumption and vessels or other articles used for dispensing the same shall be protected against contamination by flies or dust in a manner approved by the Four States Fair.
- RULE 15. The general sanitation in and about places where food or drink is offered for sale or sold for human consumption shall be satisfactory and meet the approval of the Four States Fair.

- RULE 17. No palm reading, fortune telling, or card reading will be allowed on the premises.

## CHILD LABOR LAW

State law regulates the employment of minors under the age of 18 and generally, requires children under the age of 16 to have employment certificates.

Employment certificates for children ages 14 and 15 are not required for seasonal agricultural laborers, newspaper carriers, or bat boys of professional baseball clubs.

Special provisions govern the employment of children in the entertainment industry, otherwise, children that are 14 and 15 years of age may not work

\*More than 10 hours a day.

\*More than 6 days a week.

\*More than 48 hours a week

\*Before 6:00 a.m. nor after 7:00 p.m. Except on nights preceding non-school days, such children may work until 9:00 p.m.

Children under 14 may not be employed except in the entertainment industry, as newspaper carriers, bat boys or bat girls for professional baseball club, to hand harvest short season crops, or by their parents or guardians during school vacation.

Children that are 16 and 17 years of age may not work:

\*More than 10 hours a day.

\*More than 6 days a week.

\*More than 54 hours a week.

\*Before 6:00 a.m. nor after 11:00 p.m. except that the limitation of 11:00 p.m. shall not apply to children 16 and 17 years of age employed on nights preceding non-school days. Provided, however, that no boys or girls between the ages of 16 and 18 shall be subject to the provisions of this Act if:

(a) such boy or girl is a graduate of any high school, vocational school or technical school;

(b) such boy or girl is married or is a parent.

Act 647 of 1987 allows for the employment of children in the entertainment industry provided the child is issued an Entertainment Work Permit by the Director of Labor. Child labor violations result in a civil money penalty of not less than \$50.00 and not more than \$1,000.00 for each violation.

1. Certificates of Veterinary Inspection and entry Permits: "Certificate of Veterinary Inspection" refers to a legible record (made on an official form issued from the state of origin) by an accredited veterinarian, which shows that the animals listed thereon meet health requirements of the state of destination. It must bear the identification of each animal and separate certificates must be made for each species of animal entered. Entry permits are required on all out-of-state swine and rodeo bulls unless they are tested within 30 days of entry, psittacines, passerines, ratites, and all other avian species except poultry, turkeys, cervids, camelids, or exotic animals. Permits are also required on all cattle entering Arkansas from any state that is not tuberculosis free state, unless that state has a reciprocal agreement with Arkansas. Permit numbers can be obtained from the state Veterinarian's Office (501-907-2400) from 8:00 AM – 4:30 PM Monday through Friday. A certificate of veterinary inspection must accompany all out-of-state animals; and
  - a. Must be available on request by animal health officials.
  - b. Individually identify all animals, showing positive identification of each animal by tattoo, ear tag, and registration number or ear notch. Steers should be identified by description.
  - c. Show required tests, vaccination, and enter permit number, if applicable.
  - d. Show name and address of owner or exhibitor – this shall be the same name as under which animals are exhibited.
2. Any animal or poultry showing any evidence of infectious or contagious disease, or of external parasitism, and animals with active ring worm lesions ( with resulting loss of hair), multiple warts easily visible without close examination, or atrophic rhinitis will not be permitted to exhibit.
3. All animals entering the grounds, including those shown in pet zoos, children's barnyard animals, Old McDonald Farms, etc. must meet requirements of their particular species.
4. All animals originating out of areas quarantined because of other diseases (vesicular stomatitis, scabies, etc.) shall not be permitted to enter the State.

**OUT-OF-STATE CATTLE**

1. Valid certificate of Veterinary Inspection.
2. Brucellosis Requirements:

Heifers that were born on or after January 1, 1985, that are over 12 months of age and are not official calfhood vaccinates will not be allowed to show unless they are from a Brucellosis Certified Free Herd or a Class Free state. All females and bulls 18 months of age and over must have a negative brucellosis test conducted at a state or federal laboratory within 30 days prior to exhibition.

Those exempt from testing requirements are as follows:

- A. Animals originating out of Class Free States.
- B. Animals originating out of Certified Free Herds provided that Certified Free Herd number and test date is recorded on the Certificate of Veterinary Inspection. Rodeo bulls participating in a recognized and organized performance group may enter with a negative test for brucellosis within 12 months if they are individually identified and accompanied by an entry permit.

**1. Tuberculosis Requirements**

All sexually intact dairy cattle six months of age or older for interstate entry into Arkansas will be required to have a negative tuberculosis (TB) test within 30 days prior to entry.

- b. Sexually intact dairy cattle under six months of age can be permitted under a hold order direct to premise or designated facility and held there until they are tested negative at six months of age, at owner's expense.
- c. The new regulation exempts dairy cattle that originate from accredited free TB herds (but not free states). Neutered dairy feeder cattle, and dairy cattle delivered direct to slaughter, or delivered to a market for sale direct to slaughter.

2. All breeding beef cattle 12 months of age and older entering Arkansas must meet one (1) of the following requirements:
  - a. Originate from a tuberculosis-free state;
  - b. Originate from a tuberculosis-free herd. The herd number and current herd test date must be shown on the Certificate of Veterinary Inspection;
  - c. Test negative within 30 days of shipment
    1. These same beef cattle will also be required to have a permit if entering from a state that has lost its tuberculosis-free status.
  - d. Originate from a state having a reciprocal agreement with Arkansas
  - e. All sexually intact cattle and bison, from any foreign country or part thereof with no recognized tuberculosis status comparable to the Uniform Methods and Rules standards of the U.S. Bovine Tuberculosis Eradication Program, imported for reasons other than immediate slaughter or feeding for slaughter must meet the following criteria:
    1. Obtain a permit issued by the Arkansas Livestock And Poultry Commission prior to entry, and
    2. Be quarantined to the Arkansas premises approved in the entry permit pending two (2) consecutive negative tuberculosis tests. The first test to be conducted not less than (90) ninety days nor more than one hundred twenty (120) days after arrival and the second test to be not less than two hundred ten (210) days nor more than two hundred forty days (240) days after arrival in Arkansas, or;
  - f. Importation of steers and spayed heifers from Mexico,
    1. Steers and spayed heifers from Mexican states that have been determined by the State Veterinarian of Arkansas, based on the recommendations of the Bi-National Committee, to have fully implemented the Control/Preparatory Phase of the Mexican Tuberculosis Eradication Program may enter Arkansas provided they have been tested negative for tuberculosis in accordance with the Norma Oficial Mexicanos (NOM) within sixty (60) days prior to entry into the United States and obtain an entry permit prior to entering Arkansas.
    2. Steers and spayed heifers from Mexican states that have been determined by the State Veterinarian of Arkansas, based on the recommendations of the Bi-National Committee, to have fully implemented the Eradication Phase of the Mexican Tuberculosis Eradication Program by March 1, 1997, may enter Arkansas Provided they have been tested negative for tuberculosis in accordance with the Norma Oficial Mexicanos (NOM) within sixty (60) days prior to entry into the United States. Steers and spayed heifers from herds equal to U.S. Accredited TB Free Herds may enter Arkansas without testing provided they are moved directly from the herd of origin across the border as a single group and not commingled with other cattle prior to arriving at the border and obtain an entry permit prior to entering Arkansas.
    3. Steers and spayed heifers from Mexican states that have been determined by the State Veterinarian of Arkansas, based on the recommendation of the Bi-National Committee, to have achieved Accredited Free status may enter Arkansas without testing provided they are moved as a single group and not commingled with cattle of a different status prior to arriving at the border and obtain an entry permit prior to entering Arkansas.
    4. Holstein and Holstein-cross steers and spayed heifers from Mexico are prohibited from entering Arkansas regardless of test history.
    5. Rodeo stock from any state that has lost its tuberculosis (TB) accreditations must be tested negative for tuberculosis within sixty (60) days prior to their utilization as rodeo or roping stock and retested for tuberculosis every twelve (12) months thereafter.

THESE ARE THE RULES AS GOVERNED BY THE ARKANSAS LIVESTOCK AND POULTRY COMMISSION AND ENFORCED BY ALL MEANS DURING OUR LIVESTOCK SHOWS!

**IAFE (INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS)**  
**NATIONAL CODE OF SHOW RING ETHICS**

Exhibitors of animals at livestock show shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations, which they impose, on the local, county, state, provincial and national levels.

All youths working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers, and absolutely responsible person who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of volatile drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood, or other substance taken from the livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such as substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it was sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hoofs or horns of animal which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation, respect, and no person shall direct abusive or threatening conduct towards them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
9. This application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including *Fairs and Expositions* and any special notices to members.
11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further consent that any action, which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.
